

STRENGTH partnerships,
policies, projects and
practices

INSPIRE the doers

CONNECT by creating a cooperative
environment to
make SHARED decisions about SHARED
futures

Bring to light that questions of technology, built environment, innovation, product, material and service are not unrelated to those of culture, identity, governance, democracy, inclusion but rather they are **LINKED**

A black lattice window with a diamond pattern frames a view of a town. The town features red-tiled roofs, white buildings, and a church spire in the distance. The sky is overcast.

Culture is an **INVESTMENT**
